From Mrs. Hammer:

Dear Friends,

For over 15 years, I have had the privilege of getting to know all of you in and around our wonderful school. It was a blessing and a joy to teach all of my students and watch each of them grow into the bright, dynamic, and Christ like young men and women that they are today.

I am profoundly grateful for the St. Raphael parents and staff. I was fortunate to work with highly talented teachers and administrators who made my experience enjoyable and enriching. Additionally, the parents and families have been an inspiration to me personally, and as a teacher. I admire you all for the example you set with your kindness and your commitment to our children.

Over the years, it has become clear to me that this school community is comprised of some of the most exceptional people I have ever known. When health issues arose in my family and I was called on to attend to them, I struggled with the possibility of leaving my position. Nonetheless, my situation was met with more understanding and compassion than I could have imagined. My decision not to return this fall was extremely difficult, but I am certain it is the right one.

I will deeply miss everyone at St. Raphael, and you remain in my heart and prayers. You have all offered me great support, friendship, and love, and I thank God for your presence in my life. Please stay in touch, and I look forward to seeing you at church!

All the best,

Patricia Hammer

Lunch Supervisors:

Last spring, I wrote in the Rebel Report that we would try to compensate lunch supervisors for their time. We raised the hot lunch price from \$2.25 to \$2.50 to cover the cost. Unfortunately during the summer the Archdiocese of Detroit also raised the price for hot lunch. Now the price increase will need to cover the cost of lunch rather than compensation for our supervisors. We only need 5-6 supervisors each day from 11-12:30pm to cover the lunch period. Please contact Suzanne Zarb zarbo@comcast.net if you can help with lunch supervision. **We still need help on Mondays, Wednesdays and Thursdays. If we do not have enough volunteers for those days, the students will not be able to go out for recess.** It is unsafe for 50-75 students to be outside with only 1 supervisor. Your time is greatly appreciated.

Parent Orientation:

Thank you for attending our parent orientation. I know it will be a great year. We have many new programs and events that will take place this year.

Protecting God's Children:

Please register for this workshop at <http://www.virtus.org/virtus/> and follow the registration prompts at the left hand side of the screen. We are under Detroit (Archdiocese of). This workshop must be taken by every volunteer (1 time only). It is offered at St. Raphael on Sept. 29 at 5:30pm in the resurrection room. We need to have 50 people registered or the class will be canceled.

Market Day:

We are still looking for a Market Day chairperson. It is only a once a month commitment. Please contact the office if you can be the chairperson. Help keep Market Day at our school.

Nutrition 101 Workshop:

Mrs. Neumaier will present an hour nutrition workshop for families on Sept. 28 from 7-8pm. See the flyer for more details. Registration is required.
